Cost of accommodation in student hostels

Monthly fees for a place in a student hostel at the Koszalin University of Technology range from PLN 280 to PLN 520 per month: depending on the number of room-mates and the standard of the facility. Fees for the stay are specified for a given academic year, and they may be subject to some minute changes in the year to follow.

The October deposit is PLN 80, and it is payable prior to the commencement of the academic year, yet it is refunded with the payment of the first accommodation fee. The costs of the car park and Internet access are included in the accommodation fee.
